Thanks, Cynthia! I've just been swamped with aldicarb, flonicamid, gold seals, and PARS this week. Hopefully, things will return to some normalcy after Veteran's Day, but we'll see. Take good care. . .

Marion,

I hope you are doing well. I missed you at the PRIA meeting today. I don't believe I saw you on the line.

Thanks for consideration of my compressed day! I think all days are running together and last pay period, I did some work on my compressed day. Not something I want to make a habit. I just saw Shanta's updates after I sent the slides to Marietta. I will incorporate those changes either tomorrow or Monday.

Cynthia

Thanks, Shanta! I wanted to rush to get this slide deck to Cynthia, particularly since she's also off tomorrow. With that in mind, we have not been asked about presenters as of yet, but we'll definitely pass on your willingness to assist Steve with the presentation. I'm fairly sure that he'll want input and participation to this discussion.

Best regards,

Marion J.

Good Afternoon Marion and Cynthia,

Please see the finalized Gold Seal slides for the PRIA meeting next week. I am prepared to present these slides but I have not yet received a calendar invitation.

Regards,

Shanta

Resending. . . we should move forward with the Coalition slides to Cynthia! The RD/IO is likely to some small changes on it, regardless. See below and thanks!

Shanta –

Knowing that Steve is probably very busy, I'd like to go ahead and move the completed slides for the Coalition onward to Cynthia. Since Steve is the final audience, he'll be able to suggest any necessary changes on the back end to suit his presentation, when he receives the package of RD slides from the RD/IO. However, I'm having problems opening the attached presentation in SharePoint for some strange reason. Is it possible for you to just send the slides as a regular attachment? Many thanks.

Thanks, Shanta! Once we incorporate any comments from Steve, I'll send it up to the RD/IO and to Cynthia who's assembling all of RD's slides for the Coalition meeting. Let me know if you have questions.

Best,
